

**WHY TAKE THE RISK?
GET YOUR PET MICROCHIPPED**

\$20 Microchipping in July

They can't call home. With your help, someone can.

Every year, 1 out of every 3 pets goes missing. 90% of them never make it back home. As we mark National Lost Pet Prevention Month, No Kill Huntsville invites you to participate in our "Chipathon." South Memorial Veterinary Services (inside Pet Depot) will microchip your pet for \$20 by appointment or on a walk-in basis during the entire month of July.
